TO WHOM SO EVER IT MAY CONCERNED

Justification for decreased Student: Patient ratio during the calendar year 2020

Due to Covid- 19 pandemic the number of patients in OPD as well as IPD decreased in 2020. Also due to lockdown declared by state authority and MCI advisory dated 23/03/2020, students were sent at home by considering their safety. This resulted in decreased student: patient ratio in the year 2020.
