Program Report

Department of Community Medicine

Date- 28th July 2021

Venue - Morane-Anganwadi & Sub Centre

Time- 10:30 am to 12:00 pm

"World Hepatitis Day" was organised by the department of community medicine with Event Supervisor Dr. Shraddha Patil guiding the interns posted in the department. The event commenced at the aforementioned time and place with Jatin Baviskar, the Host, welcoming everyone and informing about the nature of program. The presenters were Jeet Gujrati, Prasad Desale, Devvarsh Bhirad, and Vrajesh Sanji who informed about Hepatitis A, B & D, C, and E respectively. The people were informed about source of infection, mode of transmission, clinical features, diagnosis, and treatment of the disease. Most importantly, they were informed about the various methods of prevention and their importance in reducing infections. All the COVID-19 guidelines were followed and social distancing was maintained. The event concluded with a vote of thanks by Ratnadeep Patil.

PROGRAM REPORT

Title of Program	Blood Donation Awareness Program
Objective of Program	Blood donation refers to a practice where people donate their blood to people so it helps them with their health problems.
Date & Duration of Program	Date : 20-01-2021 9AM to 4 PM
Program Organized by (Department/Committee/Unit)	JMF'S A.C.P.M. Medical College & A.C.P.M. Nursing College
Program in-charge	Mr. Heramb Patil
Chief guest	Dr. Mamatha Patil , Dr. B. Vijay Patil
Supporting staff member	A.C.P.M. Medical College & A.C.P.M. Nursing College
Photos (tick applicable)	Soft copy: Yes
Number of participants (attended Blood Donation Awareness Program)	Number of participants = 80
Brief about the Program (Activity/Event details)	It may be an illness or also an accident, nonetheless, it is important. The blood that we donate helps a person in need. It enhances their health condition and makes them overcome their critical situation. Blood donation does not simply help that specific person but also contributes to a responsible gesture towards society. Moreover, it also enhances the health of the donor. As the cell depletion allows a way for production, not new cells that freshen our body system.
